➤ Profile & Recruit Your Ideal Publishers

➤ Expand Your Program with High Quality Publishers

Publisher Prospecting is the perfect complement to new or existing programs needing increased brand promotion through qualified publishers. This service not only analyzes your program to identify which publishers to recruit, it also develops unique recruitment incentives that help you compete for publisher business. You are assigned a designated program manager who works with you to develop and execute your 30-day prospecting plan.

➤ Publisher Profiling

Your program manager uses industry expertise to identify areas of concentration risk and opportunities for new publisher business channels. After creating an optimal publisher profile based on your business model and goals, your program manager seeks the optimal match in the Commission Junction network and designs competitive program terms to attract new publishers. Publisher Prospecting identifies the top 100 best suited publishers and actively recruits them to join your program.

➤ Offer Management

Publisher Prospecting defines best practices for designing and extending your offers to the identified publishers. Your program manager directly contacts

publishers on your behalf with competitive terms and incentives that encourage them to join your program. After extending offers, your program manager will follow up with publishers to maximize recruitment and then provide you with a summary report of the results.
